The place was cozy and pleasant:)

Always enjoy the food. Service is standard for Chinese restaurants. Also enjoy the fun drink menu.

The Peking duck is amazing! Service was good and there's an absolute ton of items on the menu. It has that nostalgic '80's Chinese restaurant vibe, complete with the alcoholic drinks in the cliché cups on the menu. All the food was served quickly and was great.

Been eating here for 25 years plus!!! And have NEVER had a bad experience.

I only do carry out. The crispy beef and fried rice are my go to dishes!

Best Chinese food in the area, including China Town in DC. My friend lives in West Virginia and I bring Mandarin House to her when I visit. Staff is always nice.

Best Chinese food I've ever eaten. I would drive 25 minutes here to pick up my food rather than go to any one of the Chinese places that are 5-10 minutes from my house.

This is our regular Chinese food stop in the area. Great food, great service. Their lunch prices are a better deal but it's a lot of food either way.

Like other reviewers, we have been going to Mandarin House for more than 15 years. We have tried others but always return to MH. Their food is always fresh, hot and generally delicious.
